This is the Welcome Message

This space is where a company would place their Online Profile. This profile is what will be seen when an attendee clicks on a booth on the floorplan that a company is assigned to. A company would typically include something like their mission statement, important sponsors, or what market segments they serve. An enhanced profile would include other tabs which highlight products, show specials, and videos.

Brands: 3M Software, 3M Automotive, 3M Medical

 Products

3M™ CLEAN SAND SYSTEM

Trust nothing less than the 3M™ Clean Sand System for making automotive, marine and home repairs easier, cleaner, and higher quality. This next generation sanding system traps most of the dust as it sands, keeping your work site cleaner.... [More Info](#)

3M™ Paint Defender System

Paint Defender Spray Film by 3M is a spray-on paint protection film that protects your car's paint against rock chips, bugs, sand, and other everyday driving hazards, similar to clear bra products.... [More Info](#)

Headlight Restoration

Dim headlight bulbs and hazy plastic headlight lenses or surfaces may lead to this reduced visibility, putting you, your passengers and other cars at risk. The problem increases with the age of the lens.... [More Info](#)
